About Us...

Welcome to GOGA INTERIOR PRDUCTS PVT. LTD., a trusted and dynamic name in the manufacturing and trading of high-end architectural hardware and furniture fittings. With a strong commitment to quality, durability, and modern aesthetics, we deliver innovative solutions that elevate the functionality and elegance of spaces.

Our product portfolio reflects a seamless blend of superior craftsmanship and modern industrial design, catering to the evolving needs of interior designers, architects, furniture manufacturers, and homeowners.

Vision

To become a globally recognized leader in furniture fittings and hardware by consistently delivering innovative, premium, and reliable products.

Mission

- To engineer products that combine aesthetic appeal with long-lasting strength.
- To maintain transparency, integrity, and excellence in all our business relationships.
- To continuously upgrade our manufacturing capabilities with cutting-edge technology.

Our Product Range

We specialize in a comprehensive range of architectural and furniture hardware, designed with precision and style:

- Furniture Handles & Knobs: Minimalist, modern and luxury designs crafted for cabinets, wardrobes and drawers.
- Drawer Channels & Slides: Telescopic channels, soft-close mechanisms and heavy-duty slides for smooth operation.
- Hinges & Hydraulic Fittings: Concealed hinges, auto-close hinges, and hydraulic piston systems for seamless door and cabinet movement.
- Modular Kitchen Accessories: Premium baskets, pull-outs, corner units, and tall units.
- Glass & Sliding Door Fittings: Advanced sliding systems and spider fittings for contemporary interiors.
- Door Locks & Architectural Hardware: Secure and elegant mortise handles, Locks, door stoppers, Door Magnet and tower bolts.

Manufacturing & Quality Assurance

- State-of-the-Art Infrastructure: Equipped with advanced machinery, precision molds, and automated finishing lines to ensure high production capacity.
- Rigorous Quality Control: Every product undergoes strict quality checks—from raw material selection to final packaging—ensuring resistance to corrosion, wear and tear.
- Material Excellence: Utilization of premium-grade raw materials (such as Brass, Zinc Alloy, Stainless Steel and Aluminium) to guarantee structural integrity and a luxurious finish.
